

DECLARATION OF CONFORMITY, EUROPE

Product description

Raflacoat Plus-FSC

FLK

Use: Paper, a component of pressure-sensitive label

Food contact regulations

We hereby confirm that the above mentioned product is in compliance with the EC regulations

EC 1935/2004 on materials and articles intended to come into contact with food

EC 2023/2006 on good manufacturing practice for materials and articles intended to come into contact with food. All UPM Raflatac manufacturing sites in Europe have a food safety system according to ISO 22000:2005

Furthermore the above mentioned product complies with

the German recommendation BfR (Bundesinstitut für Risikobewertung)
XXXVI for paper and board for food contact.

FDA (Food and Drug Administration), Code of Federal Regulations 21 CFR
176.180 Components of paper and paper board in contact with dry food.

Specifications on the use of the material:

- According to the compositional investigations performed by accredited laboratory (EN ISO/IEC 17025) the above mentioned paper is suitable for direct contact for dry and non-fatty foods at temperatures up 90 °C.

In view of many factors that may affect processing and application of our product, this does not relieve processors from carrying out their own investigations and tests.

Disclaimer:

This information is based on our most up-to-date knowledge and experience, but this statement does not constitute any warranty, express or implied. Information is only intended for the Raflatac customer and cannot therefore be transferred to any third party. We cannot assume any liability for using our products in conjunction with other materials and customer must make own qualification and suitability testing before using Raflatac material as part of customer products. Suitability of Raflatac material in customer products is solely the customer's responsibility.

All our products are sold subject to UPM Raflatac's general conditions, available at www.upmraflatac.com and upon request and our liability towards customer is exclusively defined therein.

In case of any discrepancies, the English version of this document shall prevail.
